A Christmas Like The
First One

That you would have the chance
To touch the Savior
Embrace Him closely
And whisper His name

To feel Him watching you
And know you are loved

To hear the sound of His voice
In the still of the night

And be absolutely certain
For as long as you can feel Him

That at this moment and time
You are the most important person
In this whole world to God

What other gift could compare?

That you would have the chance
To touch the Savior
Embrace Him closely
And whisper His name

To feel Him watching you
And know you are loved

To hear the sound of His voice
In the still of the night

And be absolutely certain
For as long as you can feel Him

That at this moment and time
You are the most important person
In this whole world to God

What other gift could compare?
