That's Just What

Love Does

If I were starving
And you knew
Where food could be found
Bet you'd tell me

And if I were thirsty
And you had water
Bet you'd share it

And since we're both dying
And I know
Where life can be found

You know I care

Enough to show you

Where I found everlasting life

That's what friends are for

If I were starving
And you knew
Where food could be found
I bet you'd tell me

And if I were thirsty
And you had water
I bet you'd share it

And since we're both dying
And I know
Where life can be found

You know I care

Enough to show you

Where I found everlasting life

That's what friends are for
