Some Wounds

Don't Heal

Some time has passed
Since we've seen your face

And been privileged to have
Your worship join ours

We may never know the reason
You choose to stay away

But we do know for sure
We're poorer for your absence

And that we miss you

And long for your return

Some time has passed
Since we've seen your face

And been privileged to have
Your worship join ours

We may never know the reason
You choose to stay away

But we do know for sure
We're poorer for your absence

And that we miss you

And long for your return
