Your Key

Still Works

It's been so long
Since we've seen you
But we've forgotten
Nothing about you

We blended tears
And melded prayers
And knelt together
In the presence of God

We can't forget those
Who came together with us
To the throne room of God

To visit our Father

No matter

How many years pass
Or miles we travel

We never forget family
Or stop counting the days

Till they get back home

It's been so long
Since we've seen you
But we've forgotten
Nothing about you

We blended tears
And melded prayers
And knelt together
In the presence of God

We can't forget those
Who came together with us
To the throne room of God

To visit our Father

No matter

How many years pass
Or miles we travel

We never forget family
Or stop counting the days

Till they get back home
