Just Wanted To Say

Thank You

Reflecting on the many blessings
God has given me
I give thanks for you

I appreciate your willingness
To trust me with your business
In times both past and present

Working together with you
To supply your needs
Is a real pleasure

And I wanted you to know
Your trust and your business
Are not taken for granted

Reflecting on the many blessings
God has given me
I give thanks for you

I appreciate your willingness
To trust me with your business
In times both past and present

Working together with you
To supply your needs
Is a real pleasure

And I wanted you to know
Your trust and your business
Are not taken for granted
