Would it benefit your company
To have employees

Actively involved in the community
Experiencing the reward of service
Developing a network of friends
Representing you outside the workplace
Exposed to ideas from other fields
Developing leadership skills

Would you be willing to sponsor
A few special employees
To become members of a service club
Sharing those same goals?

We are recruiting new members
To better serve our community
And you can help

A club member will contact you soon
To discuss your potential involvement
And who in your organization
Is most likely to be interested
In an invitation to join

And serve
